

WELCOME TO OMAHA STATE BANK

SWITCHING IS AS EASY AS 1-2-3

We've already helped lots of customers make the switch to Omaha State Bank, and we can help you, too. No matter if you've been at your previous bank for a short time or many years, switching over isn't complicated. Simply follow these three steps:

Step 1:

OPEN YOUR NEW ACCOUNTS

Call or stop by any Omaha State Bank location to visit with one of our friendly New Account Representative. They will help you choose the best accounts, products, and services to meet your individual needs. Soon after that, we'll prepare all the necessary forms for your signature.

Then, you'll be ready to start using your new account.

Step 2:

SWITCH YOUR AUTOMATIC TRANSACTIONS

Make a list of any direct deposits and automated payments you currently have or wish to have. We'll take care of transferring all of your automatic deposit and withdrawal arrangements for you from the list you provide. Or, if you prefer, we can provide you with the forms to do it yourself. To make the process even easier, we've included in this brochure information for some of the most popular payees.

Most Popular Payees

www.qwest.com

COX COMMUNICATIONS
CSS Department
11505 West Dodge Road
Omaha, NE 68154
402-933-3000
www.cox.com

Step 3:

CLOSE YOUR OLD ACCOUNT

Confirm that all outstanding checks have cleared and all transfers of direct deposits and automatic payments have been made. Write a check for the remaining balance in your old account and deposit it in your new Omaha State Bank account. Notify your old bank to close your account, in person or by mail. Then, destroy old checks, deposit slips and any ATM/debit cards.

It really is that simple!
